# IGNITING THE CHISPA: BUILDING POWER, UNLEASHING THE POWER OF LATINAS

Come together at the annual fundraiser for the Latina Coalition of Silicon Valley as we celebrate and embrace the dynamic spirit of Latinas. This year, our theme revolves around the concept of "chispa" - the transformative spark that has propelled Latinas in our families for generations. Through collective efforts, we aim to ignite the chispa within each Latina, fostering their inherent power to lead and drive lasting change in our communities.

We aim to celebrate Latina strength, illuminate their potential, and create a network that will enable Latinas to overcome obstacles and unlock their full capabilities.
