

## **SISTERHOOD BRUNCH**

**Sunday, June 10, 2018**

***"The Future is Latina"***

### **About the Sisterhood Brunch**

The Latina Coalition Sisterhood Brunch is a milestone event to celebrate the resilient network of Latina leaders in Silicon Valley. At the same time, the Sisterhood Brunch serves to build and reinforce those relationships we depend on to lend a helping hand to members of our network.

### **About Latina Coalition**

Since 1999, Latina Coalition has implemented leadership and civic engagement opportunities in Silicon Valley through trainings, workshops, networking opportunities, and our signature Engaged Latina Leadership Activist (ELLA) program.

The ELLA program is designed to increase the leadership abilities of local Latinas and provide them with opportunities to learn about themselves and issues impacting Latinas locally and statewide. The 6-month program is completely free and is specifically for young Latinas at the beginning of their professional career to build the leadership foundation. .
